spaces.

With a gross construction area of 340.00m², spread over four floors and a stonework and tiled façade.

Strategic location

Offering easy access to Porto city centre and other regions, with the proximity of the train station, Metro, Intermodal Terminal, Freixo Bridge and VCI, residents and visitors have excellent transport connections at their disposal, not only to other parts of the city, but also to national and international destinations.

Infrastructures and Services

The parish also has a wide range of infrastructures and services, such as schools, health centres, shops, restaurants and leisure facilities are widely available.

Possibility for commercial premises

Campanhã is not just a residential spot, it's also a growing commercial centre. Adapting this building to house offices, shops or restaurants could be an excellent way to generate a steady income. The strategic location guarantees a constant flow of potential clients and business.

Possibility for tourism

Porto is a city increasingly sought after by tourists. Campanhã's proximity to the historic centre and the main tourist attractions makes it an attractive location for the development of tourism projects, such as BOUTIQUE HOTELS or local accommodation.

If you are a visionary and are looking for a safe, long-term investment, this building is one of the best options in the city. Acquiring a building in this parish, with a strategic vision and careful planning, could be the first step towards a successful business.
